Connect with the CaGBC and we can help you convert these benefits into long-term success for your entire green building team.

## Connecting with your community just got a lot easier!

**NEW IN 2016** Every employee of a Green Building Advocate or Green Building Specialist member company is entitled to one free Chapter membership in a CaGBC Chapter of their choice!\*

\* This offer does not include Quebec at this time.

### TOP FIVE REASONS TO BECOME A CaGBC MEMBER:

#### INDUSTRY ENGAGEMENT

Being in the know, having access to industry information, the ability to participate in advocacy initiatives and being able to contribute to the advancement of green building on a regional, national and potentially global scale sets our members apart from others in the industry. We listen to our members and connect them with other informed and passionate people who share the same vision of seeing every building greener.

#### RECOGNITION AND REACH

Being associated directly with Canada's largest network of green building professionals is good for business and your own professional development. Members are encouraged to tap into our network and enhance your corporate profile by taking advantage of the many tools and resources available including the CaGBC member logo, directory listings and promotional material.

#### SAVINGS

Being a member of the CaGBC offers many ways to save. Member rates apply for conferences, special events and CaGBC education, which can have a real impact on your budget over the year. Specialist members are also entitled to discounts on LEED Canada registration and certification (owners only) fees.

#### PARTNER DISCOUNTS

Members have access to great offers on interesting products and services throughout the year. Current offers include industry magazines, consulting services, on-line marketing tools, green building products and environmental product declarations.

#### GRASS ROOTS INVOLVEMENT

Our Chapters connect you to your local market. Chapter members and Emerging Green Builders are eligible for Chapter specific leadership and volunteer opportunities, committees, award programs and more. Opportunities to network, save money and contribute to green building in your region are everywhere.

### TOGETHER, WE CAN MAKE EVERY BUILDING GREENER.

Being a Canada Green Building Council member shows your clients, partners, employees and the entire industry that you are committed to the future of green building in Canada.

BECOME A MEMBER

# Diversity

» Our membership mirrors the diversity of our industry. It includes individuals and organizations that represent every sector within Canada's green building industry. They are architects, engineers, designers, home builders, home owners, project managers, property and facility managers, developers, manufacturers, and governments from across the country.

## PROFESSIONAL FIRMS

Demonstrate leadership with CaGBC membership. Membership indicates you have the green building experience and knowledge that your clients are looking for as well as access to discounts on LEED® registration.

## ACADEMIA, RESEARCH, GOVERNMENT AND POLICY

Whether you are managing a publicly-funded project, setting policy or undertaking research, CaGBC membership provides access to the most current green building information and education as well as timely assistance from our green building experts.

## REAL ESTATE, MANAGERS, OWNERS AND TENANTS

Let us help you tell your green building story. CaGBC membership means access to LEED research and information that will help you build a case for green that will appeal to any stakeholder and demonstrate your commitment to sustainability.

## UTILITIES

Conservation is top of mind with our members – at the planning, design, construction and operational stages. CaGBC membership shows your commitment to responsible resource management and keeps you in touch with your customers.

## EMERGING GREEN BUILDERS

New to the industry, a full-time student or 30 years of age or younger, EGBs are the future of Canada's green building industry. CaGBC membership helps open doors by connecting you with your local green building industry leaders. Building a strong network is critical for everyone's career development.

## CONSTRUCTION

Green building credibility isn't a 'nice to have' anymore. Joining the CaGBC provides you with access to the LEED information you need to exceed your clients' expectations and deliver projects that perform.

## RETAIL, PRODUCTS AND MANUFACTURING

CaGBC membership demonstrates your commitment to sustainability. Our brand stands for green building expertise and our members are the decision-makers you need to reach to be included in LEED projects.

## FINANCE AND SUPPORT SERVICES

Canadians care about sustainability. CaGBC membership demonstrates your commitment to greening your building portfolio and making a difference not only to your bottom line, but to the environment.

## NON-PROFIT ORGANIZATIONS AND INDUSTRY ASSOCIATIONS

Be part of industry decision making and take a practical approach to climate change. CaGBC membership provides access to critical green building information that your members will value.

## GOVERNMENT

CaGBC membership demonstrates your ongoing support and commitment to Canada's environment and the well-being of your citizens. Membership also provides you with the critical information you need when building according to LEED standards.

# Membership

		GREEN BUILDING ADVOCATES	GREEN BUILDING SPECIALISTS	CHAPTER MEMBER
<b>STRUCTURE</b>		Companies and organizations that actively support the green building industry and want to demonstrate their commitment through CaGBC membership. Usually, Advocates do not require access to LEED® benefits and are not building owners. <b>ADVOCATES MAY INCLUDE:</b> Manufacturers, Retailers, Non-owner Tenants, Government Policy Departments, Utilities, Academic or Research Institutions, Industry Associations, and other NGOs.	Companies and organizations that benefit from the LEED green building rating system and help maintain the continuous improvement of this system through their CaGBC membership. <b>SPECIALISTS MAY INCLUDE:</b> Owners, Tenants, Landlords, Engineers, Architects, Designers, Developers, Contractors, Builders, Real Estate Brokers or Managers, and Government.	Chapter members are individuals, not companies, who would like to be involved in the green building community at the local level. Chapter Members fuel the grass root initiatives of Canada's green building communities. <b>CHAPTER MEMBERS MAY INCLUDE:</b> anyone interested in green building related to commercial, residential, homes, or neighbourhoods and communities including Emerging Green Builders.
