National Sponsorship Package
The Canada Green Building Council is a not-for-profit, national organization that has been working since 2002 to advance green building and sustainable community development practices in Canada. Together with our members and industry network, the Council has made excellent inroads toward achieving our mission of reducing the environmental impact of the built environment.

Yet, we all know that there is much more work to be done.

As a sponsor of the CaGBC you would be supporting our goal to make Every Building Greener. We believe that we must look beyond new buildings to the existing building stock, and beyond individual buildings to neighbourhood and community solutions. Together, we can take even more significant steps toward creating long term sustainable solutions for Canadian cities.

Sponsors of the CaGBC reach over 1,600 member organizations and more than 22,500 individual members involved in designing, building and operating buildings, homes and communities. These are the decision makers, the innovators and the next generation of the green building industry. Leveraging the national reach, environmental commitment and the respected brand of the CaGBC can help you reach your own sustainability goals.

Join us in making every building greener.

Thomas Mueller
President and Chief Executive Officer
Canada Green Building Council

NATIONAL CONFERENCE AND EXPO OPPORTUNITIES

JUNE 4-6, 2013
VANCOUVER, B.C.
During the first official event of the Conference, the Opening Keynote sponsor will introduce our keynote speaker who will inspire and challenge delegates as they prepare for two days of learning, networking and engaging industry peers.

The CaGBC celebrates leaders in the green building industry with our Annual Gala and Leadership Awards. The Gala Dinner is a perfect occasion to spend time with the who’s who of green building in Canada. Other highlights of the Wednesday evening event will include a three-course gourmet meal, wine from local wineries and a keynote address.

The Welcome reception opens the National Conference, and provides the opportunity for our sponsor to greet delegates in the Oceanview Suites at the beautiful downtown Pan Pacific hotel. During this elegant event, delegates will network, enjoy local food and wine all while overlooking the lights of Vancouver’s harbour.

Opening day two of the National Conference, this panel discussion will have representatives from the greenest cities around the world. The panel sponsor will greet the delegates and prepare them to be inspired by leading thinkers from North and South America and Europe. This panel will stimulate discussion by sharing success stories, best practices and biggest challenges.
