

RFP: Consultant for Stakeholder Consultation on Strategic Priorities and Development of a Procurement Guidance Document for Advancing CCU-CBM Adoption in Canada

Addendum 1

Issued: December 03, 2024

Reference: 24-051

Format: PDF

Overview

This addendum forms part of the Request for Proposal for Consultant for Stakeholder Consultation on Strategic Priorities and Development of a Procurement Guidance Document for Advancing CCU-CBM Adoption in Canada (the "RFP") and amends the RFP, as noted below:

1. Questions and Responses

#	Question/Response
1	Would it be possible to obtain a link to the report from this previous project summarizing the information and findings from the stakeholder interviews that took place?
	CAGBC cannot share the previous project summary containing information and findings from the stakeholder interviews conducted during the proposal submission and evaluation stages. However, this information will be shared with the successful proponent upon evaluating the submitted proposals.
2	Does CAGBC have any plans to issue another RFP related to advancing CCU-CBM?
	No, CAGBC does not have any plans to issue another RFP related to advancing CCU-CBM.
3	Are you aware of any organizations, programs, +/or initiatives focused on performance testing and verification of technologies that capture and store carbon in concrete?
	CAGBC cannot disclose or suggest any organizations, programs, or initiatives focused on performance testing and verification of technologies that capture and store carbon in concrete, as the project is still ongoing.

All other terms and conditions remain unchanged. If you have any questions, please do not hesitate to contact the undersigned.

Proponents are required to acknowledge all Addenda in its Proposal response to the RFP.
